Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards.

Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards.

Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. Required Improvement for the STAAR® performance indicators measures improvements in districts' rates regardless of changes to students' individual passing standards.

Detailed information on the assignment of performance levels can be found in the '2017 PBMAS Manual' at <http://tea.texas.gov/pbm/PBMASManuals.aspx>. For performance levels assigned through Required Improvement and Special Analysis (other than NA SA where applicable), both current and previous years' district rates are presented. For SPED Indicators #7, #8, and #11, data pertaining to significant disproportionality (SD) are provided only for districts that exceed the established SD threshold.
