# STUDENT CODE OF CONDUCT

## Purpose

This Student Code of Conduct has been adopted by the Hawley ISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. It remains in effect during summer school and at all school-related events and activities outside of the school year until an updated version (adopted by the Hawley ISD Board of Trustees) becomes effective for the next school year.

Chapter 37 of the Texas Education Code requires the district to define misconduct that may, or must, result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), or expulsion from school. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP, or expelled.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the office of the campus principal. Additionally, the Code shall be posted on the district's Web site.

Since the Student Code of Conduct is adopted by the district's Board of Trustees, it has the force of policy; therefore, in case of conflict between the Code and the Parent-Student Handbook, the Student Code of Conduct shall prevail.

**Please Note:** The discipline of students with disabilities who are eligible for services under Federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

# School District Authority and Jurisdiction

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. The district maintains a current list of the personnel serving as a campus behavior coordinator in the student handbook and on the district's website at [www.hawley.esc14.net](http://www.hawley.esc14.net)

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school or a school sponsored or school-related activity on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
6. When criminal mischief is committed on or off school property or at a school-related event;
7. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
8. For certain offenses committed while on school property or while attending a school sponsored or school-related activity of another district in Texas;
9. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
10. When the student is required to register as a sex offender.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district.

The district has the right to search a student's locker or desk when there is reasonable cause to believe it contains articles or materials prohibited by the district.

District administrators conduct routine blanket inspections and searches of lockers and desks.

## **Reporting Crimes**

The principal and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

## **Participating in Graduation Activities**

The district has the right to limit a student's participation in graduation activities for violating the district's Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

See **DAEP—Restrictions during Placement** on page 19, for information regarding a student assigned to DAEP at the time of graduation.

### **Girls: Additional Guidelines**

- Low-cut apparel is not allowed.
- The following is not allowed: bare midriffs, spaghetti straps, bare backs, or razor backs.
- "Tights" or leggings cannot be worn as "slacks" and anything worn over the tights must meet the length requirements (i.e. no shorter than the tips of your longest fingertip with a straight arm)

- Skirts may be worn, but should not be shorter than the tips of your longest fingertip with a straight arm. (This includes any slits in the skirt meeting the length requirement.) .

## **Enforcement Procedures for Dress Code**

The Hawley ISD's philosophy states that the district is responsible for the development of the whole student; this includes good dress/grooming habits. It is the responsibility of all the professional personnel to administer the dress and grooming guidelines.

It is the primary responsibility of the first period or home room teachers to verify that the students in his/her classroom are in compliance with the district dress/grooming policies. All teachers must enforce the dress and grooming code by counseling and/or informing students who, in the teacher's judgment, are not in compliance with the guidelines. **School officials have the authority to take up from students any items that are not allowed to be worn or carried in their possession.**

If any teacher is unsuccessful in gaining student cooperation and conformity to the dress and grooming guidelines, the teacher will refer the student(s) to the principal's office. The principal or designee shall notify one of the parents or the legal guardian of the student whose dress/grooming is inappropriate. In cases of repeat offenders, parents or legal guardians will be informed that the student must conform to the guidelines before returning to classes. Students under eighteen(18) years of age whose parents cannot be contacted will be kept at school but not permitted to attend classes until they conform to the guidelines.

## **Discipline Management Techniques**

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative discipline practices. Discipline shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense, including misconduct in a district vehicle owned or operated by the district, unless otherwise specified by law, may bring into consideration varying techniques and responses.

## **Students with Disabilities**

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, state and/or federal law shall prevail.

In accordance with the Education Code, a student who is enrolled in a special education program may not be disciplined for conduct meeting the definition of **bullying, harassment, or making hit lists** (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or “time-out.”
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Corporal punishment, unless the student's parent or guardian has provided a signed statement prohibiting its use.
- Out-of-school suspension, as specified in the Out-of-School Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Placement and/or expulsion in an alternative educational setting, as specified in the

- Placement and/or Expulsion for Certain Offenses section of this Code.

### *Discipline Management Techniques*

- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

## **Notification**

The principal or appropriate administrator shall notify a student's parent by phone or in writing of any violation that may result in a detention outside of regular school hours, out-of-school suspension, placement in a DAEP, or expulsion. Notification will be made within three school days after the administrator becomes aware of the violation.

## **Appeals**

Questions from parents regarding disciplinary measures should be addressed to the teacher or campus administration, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL).

A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's office, or the central administration office or through Policy On Line at the following address: [www.hawley.esc14.net](http://www.hawley.esc14.net)

Consequences shall not be deferred pending the outcome of a grievance.

## **Removal from the School Bus**

A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges. Since the district's primary responsibility in transporting students in district vehicles is to do so as safely as possible, the operator of the vehicle must focus on driving and not have his or her attention distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or the campus behavior coordinator may restrict or revoke a student's transportation privileges, in accordance with law.

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

## **Removal from the Regular Educational Setting**

### **Routine Referral**

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates the code to maintain effective discipline in the classroom.

## **Formal Removal**

A teacher may also initiate a formal removal from class if:

1. The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the appropriate campus behavior coordinator or appropriate administrator shall schedule a conference with the student's parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the misconduct for which he or she is charged and the consequences. The student shall have an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

## **Returning Student to Classroom**

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

## **Out-of-School Suspension**

Out-of-school suspension bans the student from being on the school campus during school hours or while school is in session with extra-curricular activities. Students are also banned from being within 300 feet of the school campus during their suspension. Schools are required to notify the student's parents/guardians of the reason for and duration of the out-of-school suspension. Suspended students are required to continue to learn and complete assignments from the days in which they miss instruction.

### **Misconduct**

Students may be suspended for any behavior listed in the Code of Conduct as a general conduct violation, DAEP offense or expellable offense.

### **Process**

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the appropriate administrator, who shall advise the student of the conduct of which he or she is accused. The student shall be given the opportunity to explain his or her version of the incident before the administrator's decision is made.

The number of days of a student's suspension shall be determined by the campus behavior coordinator, but shall not exceed three school days.

The campus behavior coordinator shall determine any restrictions on participation in school sponsored or school-related extracurricular and co curricular activities.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

## **Disciplinary Alternative Education Program (DAEP)**

### **Placement**

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

## *Disciplinary Alternative Education Program (DAEP) Placement*

Summer programs provided by the district shall serve students assigned to a DAEP separately from those students who are not assigned to the program.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

### **Discretionary Placement: Misconduct That May Result in DAEP Placement**

A student **may** be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

### **Misconduct Identified in State Law**

In accordance with state law, a student may be placed in a DAEP for any one of the following Offenses:

- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
- Involvement in criminal street gang activity. (See glossary.)
- Any criminal mischief, including a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses involving injury to a person in Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The appropriate administrator **may**, but is not required to, place a student in a DAEP for off campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

## Mandatory Placement: Misconduct That Requires DAEP Placement

A student must be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony.
  - Commits an assault (see glossary) under Texas Penal Code 22.01(a)(1).
  - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for "under the influence.")
  - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in the Expulsion section.)
  - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section of this Code.)
- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
  1. The student receives deferred prosecution (see glossary),
  2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or Disciplinary Alternative Education Program (DAEP) Placement

3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

## **Sexual Assault and Campus Assignments**

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

## **Emergencies**

In an emergency, the principal or the principal's designee may order the immediate placement of a student in a DAEP for any reason for which placement in a DAEP may be made on a nonemergency basis.

## **Process**

Removals to a DAEP shall be made by the campus behavior coordinator or superintendent.

## **Conference**

When a student is removed from class for a DAEP offense, the appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the appropriate administrator shall inform the student, orally or in writing, of the reasons for the removal and shall give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the Conference.

## **Placement Order**

After the conference, if the student is placed in the DAEP, the appropriate administrator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

## **Coursework Notice**

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

## **Length of Placement**

The duration of a student's placement in a DAEP shall be determined by the campus behavior coordinator or superintendent.

The duration of a student's placement shall be determined on a case-by-case basis. DAEP placement shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year except as provided below.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

## **Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended placement is in the best interest of the student.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

## **Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or superintendent must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or

2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code.

## **Exceeds 60 Days**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

## **Appeals**

Questions from parents regarding disciplinary measures should be addressed to the campus Administration.

Appeals regarding the decision to place a student in a DAEP should be addressed to the Superintendent in accordance with policy FOC(LEGAL).

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with FNG (Local). A copy of this policy may be obtained from the campus behavior coordinator's office or the central administration office or online at the following address:

[www.hawley.esc14.net](http://www.hawley.esc14.net).

Disciplinary consequences shall not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

## **Restrictions during Placement**

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who has transportation designated as a related service in the student's IEP.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall not be allowed to participate in the graduation ceremony and related graduation activities.

## **Placement Review**

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the superintendent at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments

for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

*Disciplinary Alternative Education Program (DAEP) Placement*

## **Additional Misconduct**

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

## **Notice of Criminal Proceedings**

The office of the prosecuting attorney shall notify the district if a student was placed in a DAEP for certain offenses including any felony, unlawful restraint, indecent exposure, assault, deadly conduct, terroristic threats, organized crime, certain drug offenses, or possession of a weapon, and:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or Teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

## **Withdrawal during Process**

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the district may complete the proceedings and issue a placement order. If the student then reenrolls in the district during the *Disciplinary Alternative Education Program (DAEP) Placement*

same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

## **Newly Enrolled Students**

The district will continue the DAEP placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

## **Emergency Placement Procedure**

When an emergency placement occurs, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

## **Placement and/or Expulsion for Certain Offenses**

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences

### **Registered Sex Offenders**

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the administration must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester. If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,

2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

### *Disciplinary Alternative Education Program (DAEP) Placement*

## **Review Committee**

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

## **Newly Enrolled Student**

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

## **Appeal**

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

## **Certain Felonies**

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a Placement and/or Expulsion for Certain Offenses student may be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see glossary) of the Texas Penal Code.

The student must:

- Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or

- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

### *Disciplinary Alternative Education Program (DAEP) Placement*

The district may expel the student and order placement under these circumstances regardless of:

- 1. The date on which the student's conduct occurred,
- 2. The location at which the conduct occurred,
- 3. Whether the conduct occurred while the student was enrolled in the district, or
- 4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

### **Hearing and Required Findings**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

### **Length of Placement**

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

### **Newly Enrolled Students**

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

### **Placement of Special Education Students**

School personnel need to consider two processes simultaneously:

- **General Education:** No student shall be deprived of the right to an equal educational opportunity in whole or in part by a school district without due process of law (TEC Chapter 37). Due process rules vary for different levels of discipline (short-term/long-term suspension; expulsion; emergency expulsion).

- **Special Education:** School personnel may consider any unique circumstances of each student eligible for special education who violates a code of student conduct when determining whether *Disciplinary Alternative Education Program (DAEP) Placement* *Expulsion*

a change in placement is appropriate (TEC Chapter 37). Special education discipline procedures apply.

## **Expulsion**

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history.

## **Discretionary Expulsion: Misconduct That May Result in Expulsion**

### **Any Location**

A student may be expelled for:

- Engaging in the following, no matter where it takes place:
- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
- Criminal mischief, if punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student, without regard to where the conduct occurs:
  - Aggravated assault.
  - Sexual assault.
  - Aggravated sexual assault.
  - Murder.
  - Capital murder.
  - Criminal attempt to commit murder or capital murder.
  - Aggravated robbery.
  - Breach of computer security.
  - Engaging in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school.

### **At School/ Within 300 Feet of School/ School Event At School**

A student may be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

### *Expulsion*

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. (See glossary for "under the influence.")
- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in conduct that contains the elements of assault under Section 22.01(a)(1) against an employee or a volunteer.
- Engaging in deadly conduct. (See glossary.)

### **Within 300 Feet of School**

A student may be expelled for engaging in the following conduct while within 300 feet of school property, as measured from any point on the school's real property boundary line:

- Aggravated assault, sexual assault, or aggravated sexual assault.
- Arson. (See glossary.)
- Murder, capital murder, or criminal attempt to commit murder or capital murder.
- Indecency with a child, aggravated kidnapping, manslaughter, criminally negligent homicide, or aggravated robbery.
- Continuous sexual abuse of a young child or children.
- Felony drug- or alcohol-related offense.
- Use, exhibition, or possession of a firearm (as defined by state law), an illegal knife, a club, or prohibited weapon, or possession of a firearm (as defined by federal law).

### **School Event or Property of Another District**

A student may be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

### **While in DAEP**

A student may be expelled for engaging in documented serious misbehavior that violates the district's Code, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;

*Expulsion*

3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
4. Conduct that constitutes the offense of:
  - a. Public lewdness under Section 21.07, Penal Code;
  - b. Indecent exposure under Section 21.08, Penal Code;
  - c. Criminal mischief under Section 28.03, Penal Code;
  - d. Personal hazing under Section 37.152; or
  - e. Harassment under Section 42.07(a)(1), Penal Code, of a student or district employee

### **Mandatory Expulsion: Misconduct That Requires Expulsion**

A student must be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

#### **Under Federal Law**

Bringing to school a firearm, as defined by federal law. "Firearm" under federal law Includes:

- Any weapon (including a starter gun) that will, is designed to, or may readily be converted to expel a projectile by the action of an explosive.
- The frame or receiver of any such weapon.
- Any firearm muffler or firearm weapon.
- Any destructive device, such as any explosive, incendiary or poison gas bomb, or grenade.

#### **Under the Texas Penal Code**

Using, or possessing the following, as defined by the Texas Penal Code:

- A firearm (any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use), unless the use, exhibition, or possession of the firearm occurs at an off-campus approved target range facility while participating in or preparing for a school sponsored shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department or a shooting sports sanctioning organization working with the department.

- An illegal knife, such as a knife with a blade over 5½ inches; hand instrument, designed to cut or stab another by being thrown; dagger, including but not limited to a dirk, stiletto, and poniard; bowie knife; sword; or spear.

## **Under Age Ten**

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

## **Emergency**

In an emergency, the principal or the principal's designee may order the immediate expulsion of a student for any reason for which expulsion may be made on a nonemergency basis.

## **Process**

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time.

The student's parent shall be invited in writing to attend the hearing.

*Expulsion*

Until a hearing can be held, the principal may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

## **Hearing**

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the superintendent authority to conduct hearings and expel students.

## **Board Review of Expulsion**

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall hear statements made by the parties at the review and will base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and

communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

## **Expulsion Order**

Before ordering the expulsion, the board or campus behavior coordinator shall take into Consideration:

1. Self-defense (see glossary)
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student's disciplinary history

*Expulsion*

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the superintendent shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

## **Length of Expulsion**

The length of an expulsion shall be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements. The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

## **Withdrawal during Process**

When a student has violated the district's Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student. If the student then reenrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

## **Additional Misconduct**

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

*Expulsion*

## **Restrictions during Expulsion**

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

## **Newly Enrolled Students**

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

## **Emergency Expulsion Procedures**

When an emergency expulsion occurs, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

## **DAEP Placement of Expelled Students**

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

## **Computer Resources and Network Services Acceptable Use Guidelines**

Access to computer resources and network services is now available to students in the Hawley Independent School District (HISD). These services are a vital asset for accessing vast, diverse, and unique resources. Our goal in providing these resources is to promote educational excellence in HISD.

### *Computer Resources and Network Services Acceptable Use Guidelines*

HISD has taken precautions to restrict access to controversial information with the use of filtering software. However, it is impossible to control all materials, and an industrious user may discover inappropriate resources. The District believes that the valuable information and interaction available on this worldwide network far outweigh the possibility that users may discover material that is not consistent with the educational goals of the district. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

## **ACCEPTABLE USE GUIDELINES/INDIVIDUAL USER RESPONSIBILITIES**

The following standards will apply to all users of the District's electronic information/communications systems:

### **ONLINE CONDUCT**

1. Individuals issued a system account will be responsible for its proper use at all times.
2. The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by District policy or guidelines.
3. System users may not disable, or attempt to disable, a filtering device on the District's electronic communication system.
4. System users may not encrypt communications in order to avoid security review by system administrators. Use of proxy servers, web proxies, or other similar technologies is also prohibited.
5. System users may not use another person's user account without written permission from the campus administrator or District coordinator.
6. System users must observe copyright law, district policy and regulations.
7. They may not redistribute copyrighted programs or data unless permission to do so is stated in the program documentation or is obtained directly from the copyright holder.
8. System users may not upload any programs to the system without prior approval from the System Administrator.
9. System users may not send or post messages that are abusive, obscene, pornographic, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal.

10. System users may not purposefully access materials that are abusive, obscene, pornographic, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal.
11. System users may not waste District's communications system resources.
12. System users may not gain or attempt to gain unauthorized access to resources or
13. Information System users may not attach or install any equipment to the District's system without prior approval from the Chief Technology Officer.

#### *Computer Resources and Network Services Acceptable Use Guidelines*

14. System users may employ removable media if needed to support educational activities. Users must insure that all such devices pose no hazard to the District's system and that their use does not violate the Acceptable Use Policy.
15. Student users must adhere to the standards listed above and to the following:
  - Students may not distribute personal information about themselves or others through the electronic communications system. Personal information includes, but is not limited to, personal addresses and telephone numbers.
  - Students must exercise caution in online activities. They should not make appointments to meet people whom they meet online and should report to a teacher or administrator if they receive any request for such a meeting.

## **SYSTEM RESOURCES**

All users will be assigned a Google Apps for Education Account with a Google email address. Users should save all information to their Google Drive instead of system hard drives to ensure that there is no loss of data or assignments.

Users should routinely review and purge unwanted or unneeded files and Messages.

## **VANDALISM PROHIBITED**

Any malicious attempt to harm or destroy District equipment or data, the data of another user of the District's system, or any of the agencies or networks connected to the Internet is prohibited. Deliberate attempts to degrade or disrupt system performance will viewed as violations of District policy and administrative regulations and, may constitute criminal activity under applicable state and federal laws. Such prohibited activity includes, but is not limited to, the uploading or creating of computer viruses. Vandalism as defined above will result in the cancellation of system use privileges and will require restitution for costs associated with system restoration, as well as other appropriate consequences.

## **FORGERY PROHIBITED**

Forgery or attempted forgery of electronic mail messages is prohibited. Attempts to read, delete, copy, or modify the electronic mail of other system users, deliberate interference with the ability of other system users to send/receive electronic mail, or the use of another person's user ID and/or password is prohibited.

## **INFORMATION CONTENT / THIRD PARTY SUPPLIED INFORMATION**

System users and parents of students with access to the District's system should be aware that, despite the District's use of lawfully mandated technology protection measures, use of the system may provide access to other electronic communications systems in the global electronic network that may contain inaccurate and/or objectionable material. A student who gains access to such material is expected to discontinue the access as quickly as possible and to report the incident to the supervising teacher.

*Computer Resources and Network Services Acceptable Use Guidelines*

A student who knowingly brings prohibited materials into the school's electronic environment will be subject to suspension of access and/or revocation of privileges on the District's system and will be subject to disciplinary action in accordance with the Student Code of Conduct.

## **TERMINATION / REVOCATION OF SYSTEM USER ACCOUNT**

Termination of an employee's account or of a student's access for violation of District policies or regulations will be effective on the date the principal or Chief Technology Officer receives notice of student withdrawal or of revocation of system privileges, or on a future date if so specified in the notice.

## **NETWORK ETIQUETTE**

System users are expected to observe the following network etiquette:

1. Be polite; messages typed in capital letters are the computer equivalent of shouting and are considered rude.
2. Use appropriate language; swearing, vulgarity, ethnic or racial slurs, and any other inflammatory language are prohibited.
3. Do not pretend to be someone else when sending/receiving messages. This is considered inappropriate.

*Computer Resources and Network Services Acceptable Use Guidelines*

## **Transportation Procedures and Regulations**

**ONLY ELIGIBLE STUDENTS ARE PERMITTED TO RIDE A BUS AND THEY MUST RIDE THEIR ASSIGNED BUS.**

The purpose of School Transportation is to safely transport students to and from school. School transportation is a privilege, not a state requirement. School bus safety regulations must be followed. School campus administrators are responsible for the students while on the bus and reserve the right to resolve discipline problems that occur between home and campus.

Bus drivers are charged with maintaining proper student conduct, including assigning individual seats and video recording when necessary. Students are expected to conduct themselves on buses in the same manner as in the classroom. If the driver cannot, by reasonable means, obtain cooperation from a student, the following actions will be taken:

1. For infraction of rules, the driver will file an incident report, which will be processed by the Transportation department and sent to the campus administration.
2. When damage to the school bus is involved, reimbursement for the damage will be part of the penalty assessed. The Student will not be allowed to ride until the reimbursement has taken place.
3. Following are penalties for misconduct:

#### *Transportation Procedures and Regulations*

- 1st incident — Parents are notified by the campus behavior coordinator and the student may be placed on probation.
  - 2nd incident — 5 school days minimum suspension from riding the bus, depending upon the nature of the violation.
  - 3rd incident — SUSPENSION from riding the bus for the remainder of the school semester or 20 school days, whichever is greater. Elementary students may be granted one additional 15 school days suspension before a final suspension.
4. In extreme cases, the driver may notify the Transportation Director and the Director may take immediate action, including suspension, until the campus behavior coordinator can handle the incident. Upon reinstatement, after a semester or 20 school day suspension any other violation will cause a suspension for the remainder of the school year.

### **FLAGRANT VIOLATIONS:**

Fighting, gross insubordination, and other acts, which may cause a safety hazard.

- 1st incident — 15 school days suspension from riding the bus
- 2nd incident — Suspension from riding the bus for the remainder of the school semester or 20 school days, whichever is greater.

Our number one goal is transporting students safely. There will be no exceptions to the penalties for disruptive students since the campus administrators know that drivers provide warnings before submitting written misconduct reports.

### ***SCHOOL BUS RIDER SAFETY REGULATIONS MUST BE ADHERED TO:***

1. Students will cooperate with the bus driver at all times.

2. Students will stay seated and face forward.
3. Students will not talk loud, yell or cause loud noises on the bus.

9. Students will not open the back door. (For emergency use only)
10. Students will not be dropped off at any other stop.
11. Students will not throw any object from the bus.

## **PARENT TEACHER CONFERENCES**

Hawley ISD encourages parents to be involved and participate in their students' education. Students do better in school when parents are involved in their academic lives. Attending parent–teacher conferences is a way to be involved and help your child succeed.

A parent–teacher conference is a great opportunity to:

- start or continue ongoing conversations with your child's teacher
- learn how to help your kids do their best in school
- let your child know that what goes on in school *will* be shared at home

To request a parent-teacher conference, contact your child's teacher through email and contact the campus front office to schedule a time and date.

The teacher or parent may request that the campus principal or direct supervisor of the teacher be present for the duration of the conference. If the campus principal is unavailable the district superintendent or designee may be present in their place.
